

“BOOST YOUR BUSINESS” with VisitEurope!

The word “boost” means to raise or push upward or ahead.

We hereby invite local trade unions and shopping centers to a “Boost Your Business” campaign, where the target is increased business by the means of common online marketing.

VisitEurope profiles companies online all over Europe. Thousands of companies are already accessible through our local and international portals, visited by millions every month. They could become your customers!

Top Banner in one of Europe's largest travelportals, where **VisitWORLD.TV** is the latest portal connected!

VisitEurope **treats your union 2 top banners worth € 8500** together, when at least 50% of your members buy one of our listings or banners.

Top banner 1 (worth € 3 500) for the trade union could route to your own homepage.

Top banner 2 (worth € 5 000) to one lucky winner amongst the members who buy a listing or banner.

A listing cost from only € **150 – 450 per year** and includes valuable functions like direct e-mail and booking request, as well as link to own homepage and picture(s). You customize your own listing and it suits all types of businesses!

VisitEurope can contribute to strengthen your businesses if you join. We have the portals. We have the visitors. We know smart portal marketing!

Kind Regards
